CHAPEL HOME HEALTH

*The skill to heal. The spirit to care.*

# FLORIDA HOSPITAL ZEPHYRHILLS CHAPEL HOME HEALTH

For many patients, home health care is a cost-effective alternative to a lengthy hospital or nursing home stay. In fact, research shows that patients tend to recover faster in the comfort of their own homes and benefit from family members and loved ones participating in their care. And with today's technological advances, skilled care can be easily delivered to you in the comfort of your own homes.

## Integrity, Quality & Compassion

Your treatment plan is established by your physician and will be supervised by a Registered Nurse who works with our clinical professionals to ensure that you receive the best approach to your care.

A Registered Nurse is available 24-hours a day, 7-days a week to meet your needs. Upon receiving a physician referral, a Registered Nurse will provide an in-home evaluation within 24-hours. We will also assist you in securing the medical supplies, equipment and community resources you may need.

Chapel Home Health Care skilled clinical professionals include:

- Registered Nurses
- Home Health Aides
- Physical Therapists
- Occupational Therapists
- Speech Therapists
- Medical Social Workers

Chapel Home Health Care employees meet some of the most stringent pre-employment standards in the industry.
